

Temporary Housing Charta
 Exemplary assignment of trademarks
 (Austria)

Note: This presentation serves as orientation without warranty to the correctness or completeness of its content. It is limited to a generalization of the direction of action and significance of individual demarcation functions

The temporary housing charta was developed in cooperation with various legal experts, some apartment brands operating in Austria and members of the expert group serviced apartments as well as members of the regional group Austria of the „Arbeitskreis Hotelimmobilien“, under direction of Julie Lenz, ZLC Solutions.
 © Creator of the charta and the hotel real estate working group („Arbeitskreis Hotelimmobilien“), print date: May 08th 2019
